Cleantie is the most powerful and user-friendly POS in the market. It allows users to price orders systematically, and accurately, with the touch of a few keys. Customer and employee satisfaction begins with our intuitive layout. Having the ability to train employees quickly means having the confidence that your operation will provide uninterrupted service to satisfied customers!

Easily Customizable
The Cleantie check-in screen is the most user-friendly and powerful in the market. Unlimited Service options, departments, item menus, and modifiers ensure that any price list can be implemented, so you can design a simple user interface for your staff.

Credit card processing
Cleantie offers the most advanced credit card processing. Cleantie is integrated with Clover, Square, Stripe, and Verifone Payware Connect. Accept payments from customers directly inside Cleantie. Let your customers pay how they want to pay. Dip or tap; credit or debit; Apple Pay, Google Pay, WeChat Pay, Alipay and more.

Laundromat Special Features
Cleantie has special features designed for laundromat operations. Cleantie POS is integrated with laundry cards from Card Concepts, Laundroworks, and EDS. Cleantie supports any USB HID-compliant weight scale.

With our cutting-edge Cleantie Pickup Delivery Apps and full digital marketing, we provide full service in assisting you to create an online presence in order to realize growth potential and increase profits. We walk with you from creation to launching your online pickup and delivery business, and then we continue to assist you as you grow and expand, with no royalties.

Partnering with Cleantie offers a great earning opportunity. This is not a franchise, it's 100% your business and you can operate that according to your schedule.

CLEANTIE POS

Our Cleantie Point of Sale System (POS) is fast and has an intuitive design for modern large or small businesses. It's easy for anyone to use as it works across PC, tablet, and smartphone devices. Cleantie offers the best and latest technology for your business to empower customers.

CLEANTIE CUSTOMER APP

The free Cleantie customer app allows your customers to request on-demand pickup and delivery. Cleantie is North America's fastest-growing dry cleaning and laundry pickup and delivery app, using technology to make your life easier so you have more time to get back to your busy life.

CLEANTIE DRIVER APP

The Cleantie Driver app offers a complete and comprehensive route planning system with optimization technology. Cut down on operating costs, reduce drive time and mileage, and improve customer service with the Cleantie route planning solution!

CLEANTIE DISPATCHER APP

The Cleantie Dispatcher app gives you complete control over the pickup and delivery process, as well as a communication tool for the dispatcher and store manager. Use the dispatcher app to view all of your customers' activities, profiles, pickup requests, orders, and bills, as well as to coordinate and manage deliveries.
